Dear Sir:

## **REQUEST FOR CORRECTION OF INVENTORSHIP**

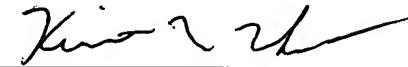

The Declaration for the above-referenced application contains an error regarding the spelling of inventor Saravjeet Singh's name. The original declaration incorrectly recites the SINGH as SINH. It should read SINGH.

According to M.P.E.P. § 201.03, "Where a typographical or transliteration error in the spelling of an inventor's name is discovered, the Office should simply be notified of the error. A new oath or declaration is not required." Accordingly, it is believed that no new declaration is required. A request for corrected filing receipt is also enclosed.

The Commissioner is hereby authorized to charge counsel's Deposit Account No. 20-0782/007669.P03/KMT, for any fees, including the required processing fee under 37 CFR § 1.17(i) and also including extension of time fees or excess claim fees, required to make this response timely and acceptable to the Office.

Please correct this error or notify the applicants of the reasons for denying the request.

Respectfully submitted,

---
